MAP OF BUILDING AND GROUNDS

HEREFORE, when we build let us think that we build forever. Let it not be for present delight nor for present use alone. Let it be such work as our descendants will thank us for and let us think as we lay stone on stone that a time is to come when those stones will be sacred because our hands have touched them and that men will say as they look upon the labor and the wrought substance of them, "See! this our fathers did for us."—John Ruskin.

Thousand Mile Bridge

It's a long way from Medicine Bow to Boston... from the western cattle and sheep range country, from the feed lots and hog farms of the Corn Belt, to the hungry cities of the East. Between where the meat animals are raised and where the meat is eaten there's an average gap of a thousand miles.

In bridging that gap, both stock yards and meat packers play important parts. The "yards" receive and care for the livestock which producers send in for sale. They create a marketplace where livestock buyers bid, in competition with each other, for the meat animals.

In this intense buying competition, Swift & Company plays a part. One place or another, we bid against 18,000 other firms, large and small, which slaughter livestock commercially in the United States. We process it into meat; then deliver that meat to retail stores in cities and towns across the nation.

Thus, the facilities of nation-wide meat packers provide you with markets for your meat animals; move the meat to cities and towns where it is in demand.

Swift & Company

We cordially invite you to go through the Swift Visitors' Route while in Chicago. Entrance is west of the International Amphitheatre, at Exchange and Racine Avenues.

GENERAL INFORMATION

Reception of Animals: The building will be in readiness for the reception of cattle, sheep and swine any time during the week preceding the Exposition; and barns for horses on and after Thursday preceding the Show.

Feeds and Forage: In order to conserve our exhibition space and to prevent congestion in the aisles, the following regulation will be strictly enforced:

Exhibitors will not be permitted to bring standard feeds to the Exposition, as they can secure these from the Superintendent of Forage at prevailing prices.

Should the exhibitor desire to bring in specially prepared feeds, they must be carefully bagged and labeled and turned over to the Superintendent of Forage for storage. He will deliver them to the exhibitor's location as required, for which a charge of \$1.00 per cwt. for storage and service will be made against the exhibitor.

Any standard feeds in excess of his "in transit" requirements which the exhibitor may have in his car must be labeled and turned over to the Superintendent of Forage. The exhibitor may then draw on this supply for his requirements. These feeds will be billed to him at the regular Exposition rates less their wholesale market price.

No allowance will be made to the exhibitor for any feed brought in by him in excess of his requirements.

Electric Cookers: In order to conserve space and prevent congestion, no electric feed cookers will be permitted in the Amphitheater.

Storing Articles: Storerooms will be provided in which all packing and shipping materials must be deposited.

Express: The Express company will have its office at the Exposition for the accommodation of those desiring to ship their exhibits by express. All express matter intended to be delivered at the Exposition should be addressed in care of the International Live Stock Exposition, Union Stock Yards, Chicago.

POST OFFICE

There will be a post office in the Exposition Buildings, where mail will be received and dispatched. All mail addressed in care of the Exposition will be found at this office.

SHIPPING DIRECTIONS

All exhibits of merchandise and purebred livestock can be unloaded from the cars on the exhibition grounds. Shipments should be billed to the International Livestock Exposition, Union Stock Yards, Chicago, Amphitheatre Track via the C. J. Railway.

All other livestock—steers to be exhibited in the Junior Livestock Feeding Contest, and entries to be shown in the carlot division, should be billed to the

Union Stock Yards for unloading at the regular chutes.

Exhibitors can, when shipping, if they so desire, fill out their cars with other cattle, sheep, hogs or horses, to make full loads. Any surplus animals not required by the classification can be sold on the regular market, but such surplus must be culled out by the exhibitors before exhibits are delivered to the Exposition.

RAILWAY FREIGHT OFFICE

Freight Office: The Superintendent of Transportation, at his office, will be prepared to quote lowest tariff rates and to bill freight for shipment (at the close of the Exposition).

RAILROAD TICKET OFFICE

Railroad: Railroad lines will have ticket offices and agents at the Exposition, where full information may be obtained as to routes and the necessary tickets secured.

VISITORS

Ladies and gentlemen may be assured of finding in the buildings everything necessary to their convenience.

Restaurants in the International Amphitheatre and in the Stock Yard Inn will serve meals and refreshments during hours of exhibition at reasonable rates.

HOTEL ACCOMMODATIONS

Exhibitors and visitors are urged to make hotel reservations as far in advance of their arrival as possible.

BUREAU OF INFORMATION

There will be a free bureau of information in the main building.

BANKS

The Live Stock National Bank and the Drovers National Bank will care for all legitimate needs of properly identified visitors and exhibitors.

TELEGRAPH OFFICE

Western Union will have a branch office at the Exposition.

TELEPHONE STATIONS

There will be public Telephone Stations at the Exposition.

UNITED STATES CUSTOMS

Exhibits from Canada or any other foreign country will be admitted in bond with no charge for import duties if exported within six months from date of importation.

All exhibits from Canada or other foreign countries of any nature whatsoever, shipped by freight or express, may be consigned to any Custom House Broker or Forwarding Agent located in Chicago, who will, at reasonable cost, attend to entering the same in bond. However, exhibitors may find it more convenient to clear their shipments themselves.

Foreign exhibitors are advised that bonds with sureties or bonds with cash deposits are required on entry of exhibits into the United States. The bond will be cancelled if the exhibit is exported under customs supervision within six months from date of importation.

GENERAL RULES AND REGULATIONS

Exhibitors are requested to familiarize themselves with all the rules of this Exposition in Classes and Departments applicable to their Exhibits.

IMPORTANT RULE

Any protest as to eligibility on account of age of animals entered in the fat classes of the Exposition must be filed with the General Superintendent prior to the day on which they are to be judged. Information concerning the class in which any animal or carload is entered can be had at the general office of the Exposition. Specifications showing ages of cattle by dentition is given hereunder for the benefit of exhibitors.

Specifications showing teeth of cattle at ages described, which is adopted as a basis for determining ages of cattle:

Twelve Months—An animal of this age shall have all its milk (calf) incisor teeth in place.

Fifteen Months—At this age center pair of incisor milk teeth may be replaced by center pair of permanent incisors (pinchers), the latter teeth being through the gums but not yet in wear.

Eighteen Months—The middle pair of permanent incisors at this age should be fully up and in wear, but next pair (first intermediate) not yet cut through gums.

Twenty-four Months—The mouth at this age will show two middle permaent (broad) incisors fully up and in wear, and next pair (first intermediate) well up but not in wear.

Thirty Months—The mouth at this age may show six broad permanent incisors, the middle and the first intermediate pairs fully up and in wear, and the next pair (second intermediate) well up but not in wear.

Thirty-six Months—Three pairs of broad teeth should be fully up and in wear, and the corner milk teeth may be shed or shedding, with the corner permanent teeth just appearing through the gums.

Thirty-nine Months—Three pairs of broad teeth will be fully up and in wear, and corner teeth (incisors) through gums but not in wear.

Violation of Rules: RULE 1. An exhibitor who violates any of the following rules will forfeit all privileges and premiums and be subject to such penalty as the Executive Committee may order.

Liability: RULE 2. All exhibits will be under the control and direction of the Manager, but the Exposition will in no case be responsible for any loss or damage that may occur. Each exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal or article exhibited by him, and for its description as given in the catalog, and shall indemnify the Exposition against all legal or other proceedings in regard thereto.

Interpretation: RULE 3. This Exposition reserves to its Executive Committee the final and absolute right to interpret these rules and regulations, and arbitrarily settle and determine all matters, questions or differences in regard thereto, or otherwise arising out of, or connected with, or incident to, the Exposition.

Amending Rules: RULE 4. The Exposition reserves the right to amend or add to these rules as the Executive Committee in its judgment may determine.

ENTRIES

Application for Entry: RULE 5. All applications for entries must be made out on printed forms and in accordance with instructions on them, giving class, number, age, record number, and all other necessary information. These forms, after being signed by the exhibitor, are to be filed in the office of the Secretary of the Exposition on or before November 1st (see rule governing entry of steers). This applies to all entries except carloads, which must be entered on or before November 18. In all cases the right is reserved to reject entirely or accept conditionally any entry or application.

Problems?

Our Ag Engineers really have 'em— but it's your problems they're helping to solve!

Our Ag Engineers go to great lengths to look for trouble; in fact, they invite trouble because nothing gives them greater pleasure than to have a farmer say: "I've got a little problem . . . I'm going to remodel my feed handling system and need some advice!" Or: "I'm planning to put in a crop drier and there's a few things about it that's got me stumped."

Helping farmers in this area is one job our Ag Engineers like to do and are qualified for. Whatever your problem—be it barn ventilation, wiring, water systems, barn cleaners, or crop driers—you're welcome to the free advisory services of our Ag Engineers.

Where is your local Ag Engineer? At the other end of the telephone or on the receiving end of a penny postcard. Simply phone or write your local electric company's store or office. Can you think of an easier way to get the help you need?

Entry Fee: RULE 6. An entry fee of \$4 per head will be charged on cattle, \$7.50 on horses, and 75c per head on sheep and swine, which must accompany entries. This money will, however, be applied on stall rent or pen fees when exhibit is brought on, but retained if the exhibitor fails to bring his animals.

Ownership of Animals: RULE 7. To be eligible for competition, whether singly or in groups, animals must be the bona fide property of exhibitors, and all animals entered for competition, except where otherwise specified, must be owned by exhibitor at the time of making entry. Registry certificate of ownership or transfer must be produced, if required, showing the exhibitor to be the owner. Animals to compose a competitive group need not be named in application for entry, but must be selected by exhibitor.

Firms and Co-Partnerships: RULE 8. Firms and co-partnerships entering animals for competition must be in existence at the time of making entry, and in all cases must be bona fide, and affidavits of the age of firms may be

required by the management.

Eligibility for Competition: RULE 9. An animal can compete in more than one class, and for any and every purse in sweepstakes groups or specials to which they are eligible under the classification. The rules are so arranged as to enable every exhibitor to easily determine in which classes his exhibits are eligible.

Catalog Numbers: RULE 10. All entries will be inserted in the annual catalog, and exhibitors on their arrival at the Exposition will receive, on application to their respective association secretaries, tags with duplicate numbers to correspond with the catalog number, which must be fastened in the most conspicuous part of the stalls, pens or place where exhibit is shown.

Sales: RULE 11. If it is desired, the exhibitor may state in the entry the price for which he will sell his animal. This price shall be inserted in the catalog, but all sales will be between the owner, or his representative, and the purchaser. The Exposition will not assume any responsibility.

Substitution: RULE 12. No person having entered anything for competition will be allowed to make substitution of animals or otherwise change the entry after ten days prior to the opening of the Exposition, except as noted in rule 13, nor may any one refuse any premiums awarded and the prize ribbons and commendation cards must be displayed during the Exposition.

Erroneous Entry: RULE 13. Exhibits that have been erroneously entered may, in the discretion of the Manager, be transferred to their proper classes previous to the judging. If such classes have been judged they shall not be reopened.

EXHIBITORS

Arrival of Animals: RULE 14. All articles and animals for exhibition, except car lots of fat stock (see Rule 61), must be in their places, with all rubbish and waste cleared away at 9 a. m. of the opening day of the Exposition, and entered in the name of the real owner, to remain on the grounds to the close of the Exposition. Any violation of this rule will cause a forfeiture of all premiums earned by the exhibitors. Open class steers must be in place by 9 a. m., Friday, November 24, in order to be examined by the Weeding Committee.

Release of Animals: RULE 15. All animals must remain on the grounds until the close of the Exposition at 10 p.m. the final Saturday and will only be otherwise excused on veterinary recommendation approved by the management. Any violation of this rule will cause a forfeiture of all premiums earned by

exhibitors.

Care of Animals: RULE 16. After having properly entered their animals, exhibitors must themselves see to their delivery to the Steward of the appropriate department, so that their exhibits may be in their places, properly ticketed and ready for competition, on the opening day of the Show before the work of judging begins. They are likewise required to attend to their articles or animals while on exhibition, and answer such questions as the judge may deem essential to a correct estimate of their relative value.

Use of Blankets: RULE 17. Exhibitors are prohibited from using blankets or covers on their stock between the hours of 7 a. m. and 11 p. m. each day of the Exposition, except in the carload lots, where the hours will be from

9 a. m. to 4 p. m.

Decorating Exhibits: RULE 18. Exhibitors of horses are requested to decorate their quarters as tastily as possible, and must keep that part of the building occupied by them neat and attractive in appearance. This will prove a strong factor in impressing each individual exhibit upon the minds of the visitors and buyers.

Uniforms: RULE 19. Exhibitors are requested, in their own interests and for the best appearance of the Show, to see that their attendants are neatly and appropriately dressed when they lead their animals into the ring.

Evening Shows: RULE 20. A great educational feature of this Exposition is its evening shows and parades of approved live stock by breeds and ages. Notice of time and places of parades will be announced by bulletins and stewards.

Refusal to Parade: EXHIBITORS REFUSING FOR ANY CAUSE NOT MEETING WITH THE APPROVAL OF THE MANAGEMENT TO LEAD OUT THEIR ANIMALS FOR PARADE OR FOR COMPETITION IN THE SHOW RING WHEN CALLED BY THE STEWARDS IN CHARGE WILL NOT ONLY FORFEIT ALL PRIZES PREVIOUSLY WON, BUT BE DEBARRED FROM FURTHER PARTICIPATION IN THE SHOW AND REQUIRED TO REMOVE THEIR STOCK FROM THE SHOW GROUNDS WITHIN SIX HOURS AFTER SUCH REFUSAL. The Executive Committee may further impose such additional penalty as in its judgment the case deserves.

Arena Privileges: RULE 21. No person other than those holding animals being exhibited will be allowed in the show ring during the time of judging, except the Judges and officially accredited ring stewards. This rule will be rigidly enforced.

Catalog of Exhibit: RULE 22. No animal shall be considered by the Awarding Committee whose attendant is not wearing a tag during competition. This tag will show the number, age and official weight of competing animal.

Removal of Exhibit: RULE 23. An exhibitor wishing to remove an exhibit for the night must apply to the Manager; and, if there appears to be good reason for the removal, it may be effected by leaving a suitable deposit and receiving an official pass, the time of leaving and that of returning to be inserted thereon; and, if the exhibit be not duly returned, the deposit will be forfeited to the Exposition.

Delivery of Animals, Placards: RULE 24. Exhibitors will not be allowed to deliver animals or articles during the Exposition without special permission (though they may receive and book orders), nor will they be permitted to call attention to their wares in any noisy manner, and only such signs and placards may be used as the Manager shall approve and allow.

Conduct: RULE 25. Any false representation, interference or ungentlemanly conduct on the part of an exhibitor will be dealt with by the Executive Committee according to the equities of the case.

Protests: RULE 26. All protests must be in writing and accompanied by a deposit of \$20, which will be forfeited if protest is not sustained. Such protest must state plainly the cause of complaint, or appeal, and must be delivered to the Manager within six hours after the occasion for such protest, or in the Fat Classes, if age is brought into question, on the day prior to the one on which the animals are to be judged.

Appeals: RULE 27. No appeal of, or appeal from an award based upon a statement that the Judge or Judges have overlooked an animal or article will be considered by the Executive Committee.

Points Considered: RULE 28. The primary object of this Exposition is to encourage the breeding and feeding of improved breeds of live stock for well-defined, practical purposes. Regard will be had to symmetry, size, form, action, constitution, vigor and general characteristics of the various breeds, with reasonable allowances for age, but due regard will also be paid to heads and that graceful carriage, style and general refinement that denote breed character—points which, while not weighing on the scale, add value to animals when being sold for breeding and carcass purposes. And, in groups, encouragement will be given to uniformity of breed type.

Barren Animals: RULE 29. The Exposition debars and will to the utmost of its power discourage and prohibit the exhibition of barren animals in the breeding classes.

Obesity and Leanness: RULE 30. The Exposition reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals, and excessive leanness in which condition animals are unfit for exhibition.

Mouth Plates: RULE 31. Where the mouths of animals exhibited in the cattle divisions do not conform to official dentition plates, satisfactory evidence of the age of the animals must be produced by the exhibitor, and in case of protest in the breeding cattle division the same rule shall apply.

Official Veterinarian: RULE 32. The Manager will appoint veterinary surgeons and such other assistants as may be necessary. The veterinary surgeon shall cause all animals to be examined before their admission to the grounds, as a safeguard against infectious or contagious diseases, and shall make inspection of the grounds, stables, stalls and pens and make report in writing to the Manager of the condition in which said grounds, stables, stalls and pens are kept. In case of sickness of any animal the same shall be removed when ordered by the Manager to a separate enclosure, where the exhibitor may either direct treatment of the animal himself, or employ a veterinary surgeon appointed for that purpose, for whose services and other necessary expenses incurred a reasonable charge will be made by the Exposition. The right is reserved to the Manager to order the peremptory removal from the grounds of any animal to which this rule applies.

JUDGES

Note: Judges are earnestly requested to familiarize themselves with all the rules and regulations of this Exposition, and to especially mark those rules bearing on the classes to be adjudicated by them. Ignorance of the rules is inexcusable in a judge.

Selection of Judges: RULE 33. The single judge system is the policy of this Exposition, and, in every case, the judge is selected with the utmost care, and, as far as possible, will be of national reputation.

Time of Judging: RULE 34. The time at which the judges will pass upon the different classes is announced in the catalog, and will be on bulletin boards conspicuously posted. Any exhibit not presented promptly on schedule will be ruled out and debarred from competition in the class called.

Method of Awarding: RULE 35. No animal will be awarded a prize unless removed from its stall or pen and exhibited with catalog number attached before the judge in show ring.

Unworthy Exhibits: RULE 36. Judges must not award a prize to an unworthy exhibit. It is the intention of the Exposition that no premium or distinction of any kind shall be given any animal or article that is not deserving. Judges are also requested to discriminate against animals upon which a surgical operation has been performed to improve their "show" appearance. These rules must be strictly adhered to, whether there is competition or not.

Awarding Champion Prizes: RULE 37. All first and second prize winners are eligible to compete for championship honors; but no second prize animal shall be eligible to rank higher than "Reserve" in any champion class.

Competition: RULE 38. The management reserves the right to return entries and cancel any class in which, in its judgment, the number of entries is insufficient to insure adequate competition. Where there are fewer entries in a class than the number of premiums offered, the judge may, at his discretion award prizes of such grade as the animals deserve; but in any event, regardless of the number of entries listed in the catalog, where the animals of only one exhibitor or his immediate family are shown, the judge will award only one prize, which may be of the grade to which the judge feels that the exhibit is entitled, and need not necessarily be a first or second prize.

Interference with Judges: RULE 39. If any exhibitor in any way, whether in person or by agent or servants, interferes with the judges during their adjudi-

cation, or shows any disrespect to them, or the Exposition, the division superintendent shall, at his discretion, demand a proper apology from such exhibitor, or he may exclude him from competition and from the ring and may also withhold from such exhibitor any premiums that may have been awarded.

Decision of Judges: RULE 40. The decision of the Judges shall be final in all cases, except where mistake, fraud, misrepresentation or collusion, not discovered at the time of the award is proven. In such cases the Manager, or such referee as he may appoint, may make decision, or with his approval, the case may be appealed to the Executive Committee, from whose decision there can be no appeal.

Animals Disqualified: RULE 41. Should any animal awarded a cash prize be disqualified the animals gaining the lower prizes shall graduate up into the higher positions next in order above them if in the opinion of the judge these animals are worthy of such prizes.

PREMIUMS

Ribbons: RULE 42. Premiums will be designated by ribbons: Blue, first; red, second; white, third; pink, fourth; yellow, fifth; green, sixth. Championships, royal purple. Special ribbons or card will be given to "highly commended," "commended" and "reserve" animals. To add to the value of awards all ribbons will be copyrighted.

Exhibiting Premiums: RULE 43. Exhibitors will be allowed to display prize ribbons, medals, certificates of award, etc., at their own quarters during the entire Exposition, subject to the approval of the Manager.

Paying Awards: RULE 44. (a) Cash premiums are payable by bank check (except, when, at the request of the exhibitor, a cup, diploma or medal is granted in lieu of cash). (b) The Exposition bank check will be drawn by the treasurer upon presentation of transcript of premiums awarded, duly signed by the Manager and endorsed as "correct" by exhibitor. (c) These checks in payment of premiums are payable "to order," and must be endorsed by those in whose favor they are drawn, and thereupon can be cashed by the treasurer or at any bank where endorser is identified. (d) Special premiums will be paid by those offering them, on an order from the Manager. (e) All orders, cups, diplomas, medals and certificates will be delivered at the general office of the Exposition, or forwarded to the exhibitors, as they may direct, as soon after the close of the Exposition as they can be properly engrossed and engraved. (f) All premiums whatsoever not claimed by exhibitors before January 1 of the following year shall be deemed forfeited to the Exposition or donors. (g) The Exposition reserves the right to withhold premiums awarded in every case in which it shall appear to the Executive Committee that the regulations have not been complied with, or that fraud or deception has been practiced or attempted.

Eligibility of Animals.: RULE 45. All animals in the breeding classes must be recorded or accepted for record in the recognized books of record for their respective breeds, as shown herewith, and exhibitors must produce certificates of registry at the request of the Manager any time during the Exposition. Only the following records will be recognized:

SPECIAL PRIZES

FOR THE

MEN BEHIND THE HERDS AND FLOCKS

Recognizing the superior skill, fine judgment and faithful devotion to duty on the part of the herdsmen, shepherds and grooms in preparing the splendid specimens of animal excellence displayed annually at the International Live Stock Exposition, the management has decided to establish a series of competitive awards each year in the shape of medals, to be worn as honorary distinctions by these men in each of the various divisions.

The medals to be won comprise the following:

- To the herdsman fitting the grand champion steer of the show.
- To the herdsman fitting the grand champion carload of beef cattle.
- To the herdsman fitting respectively the grand champion bull of each of the four breeds of cattle.
- To the shepherd fitting the grand champion wether of the show.
- To the shepherd fitting the grand champion carload of sheep.
- To the herdsman fitting the grand champion barrow.
- To the herdsman fitting the grand champion pen of
- To the herdsman fitting the grand champion carload of hogs.
- To the groom of each draft breed representing the stable winning the highest score, arrived at as follows: Champion 15, reserve champion 12, first 10, second 8, third 6, fourth 4, and fifth 2 points.

The conditions of these awards shall be (1) that the animal or animals winning the championships named shall have been under continuous, immediate and personal charge or care of the herdsman, shepherd or groom for a period of at least six months preceding the opening day of the show; (2) that, except for unavoidable sickness or other excusable absence, the animal or animals shall be led into the ring or exhibited to the judges by such herdsman, shepherd or groom, as the case may be.

The purpose of awarding this series of valuable and beautiful medals is to show appreciation on the part of the management of the large share of credit due these faithful men for the excellence of the yearly exhibits at the "International," and to offer added incentive and a further reward for the intelligent thought and painstaking care by which they have sought to improve the breeds to which they are devoted.

IMPORTANT

Following are the health requirements governing the exhibition of livestock in Illinois:

All out-of-state livestock exhibited in Illinois must be accompanied by an approved official health certificate. An approved official health certificate means a legible certificate made on official forms from the state of origin or from the United States Bureau of Animal Industry by licensed accredited approved veterinarian, bearing the approval of the chief veterinarian or other livestock sanitary official of the state of origin.

Copy of such certificate approved by the chief veterinarian or other livestock sanitary official of the state of origin for livestock entering Illinois from other states must be mailed to the Division of Livestock Industry, Springfield, Illinois, in advance of the arrival of animals at Illinois destination.

A copy of the health certificate, test report, and/or vaccination record must be in the possession of the person in charge of the animals during the exhibition and available to the state livestock inspector on demand.

TUBERCULOSIS: Entry and Exhibition Requirements for Out-of-State Cattle. With the exception of cattle meeting requirements of "(a)," "(b,)" or "(c)," all out-of-state cattle for exhibition purposes in Illinois must be accompanied by an approved, official health certificate, showing them to have been negative to the tuberculin test within 30 days of entry into Illinois.

After entry, certificate will be honored at exhibitions for 90 days from date

of test.

Provided, (a) Cattle originating in a tuberculosis-free accredited herd may exhibit when accompanied by an approved, official health certificate showing such cattle to have originated in such accredited herd and giving the accredited herd number.

(b) Cattle from modified accredited areas may exhibit when accompanied by an approved, official health certificate showing them to have originated in such accredited area and that the herd in which they originated had no reactors on last complete herd test and showing such cattle negative to the tuber-

culin test within one year of date of entry.

(c) Steers for exhibition purposes must be accompanied by an approved official interstate health certificate showing them to be free from any contagious, infectious or communicable disease as determined by a physical examination. Tuberculin test is not required provided steers are isolated from all other cattle during exhibition.

Exhibition Requirements for Illinois Cattle.

Illinois cattle must be accompanied by an approved official health certificate issued by an accredited approved veterinarian, showing them to be from a herd which had no tuberculosis reactors on last complete herd test and showing such cattle negative to the tuberculin test within one year of date of exhibition, or to have been negative to the tuberculin test within 90 days of date of exhibition.

Steers may exhibit without tuberculin test, provided they are isolated from

all other cattle during exhibition.

BOVINE BRUCELLOSIS: Entry and Exhibition Requirements for Out-of-State Cattle. No breeding cattle more than four months of age shall be imported into the State of Illinois for exhibition purposes unless such cattle are accompanied by an approved, official health certificate issued by a licensed accredited approved veterinarian showing the cattle to have passed a negative agglutination blood test for brucellosis within 30 days prior to the date of entry, except as hereinafter otherwise provided.

Breeding cattle from a certified brucellosis-free herd may enter the state without a test for bruccellosis when accompanied by a certificate of health issued by a licensed accredited approved veterinarian of the state of origin showing such cattle to have originated from such certified brucellosis-free herd and

giving the certified herd number.

Breeding cattle not more than 30 months of age may enter the state without a test for brucellosis when accompanied by certificate issued by a licensed, accredited approved veterinarian and approved by the livestock sanitary authorities of the state of origin certifying that the respective animals, identifying them, were vaccinated against brucellosis with an approved vaccine, giving the serial number of such vaccine and the dosage used, on a date, which shall be stated, when the animal was not less than four nor more than eight months of age, and such certificate is filed with the Department.

All certificates of health or reports of tests shall carry an identification of the animals involved either by registration name and number, or by number on

the ear tag placed in the right ear of the animal.

After cattle enter the State of Illinois, certificate will be honored at exhibitions for 90 days from date of test.

Exhibition Requirements for Illinois Cattle.

Illinois cattle, except steers and calves under 4 months of age, must be accompanied by an approved official health certificate issued by an accredited approved veterinarian showing them:

(a) to have originated in a certified bruccellosis-free herd in good standing,

showing the herd certification number; or

(b) to be not more than 30 months of age and to have been officially vaccinated against brucellosis with an approved vaccine between the ages of 4 and 8 months, such animals to be positively identified and such vaccination to have been officially reported and recorded; or

(c) to have been negative to the agglutination test for brucellosis within 90

days of date of exhibition.

Suspects may show, providing there was a complete herd test made at the time the suspect was found, and providing that the herd was entirely free of re-

Vaccinated calves that are suspects at 30 months of age are not eligible to show unless there was a complete herd test at the time the suspect was found, and provided the entire herd was free of reactors.

Entry Fees: RULE 46. An entry fee of \$4.00 per animal will be assessed, which must accompany the application for entry. This money, however, will be applied on the stall rent (\$4.00 when occupying single stall), but retained by the Exposition in event the exhibitor fails to bring his animals.

Nurse Cows: Entry fee \$2.00 per cow.

Bulls: RULE 47. A bull over one year old without ring in his nose may be

excluded from the Exposition, at the discretion of the Management.

Breeding Cattle: RULE 48. Judges are instructed to award prizes for breeding cattle in the order in which they, as buyers, would make selection therefrom for breeding purposes; due consideration being given to the accepted maxim of breeding, that "like produces like," and to the doubtful utility for breeding purposes of over-fat animals, not considering color or pedigree.

Tampering and Misrepresentation: RULE 49. Any artificial means of removing or remedying the physical defects or conformation in exhibition cattle, such as cutting ties or lifting and filling under the skin will be considered as fraud and deception. All animals giving evidence of such treatment will be barred from competition at the International Live Stock Exposition. Misrepresentation of the age of an animal will be considered in the same light.

In the steer classes the regulations will be in full force and effect, but a tie shall not be regarded as a defect unless it is of such nature as to mar or

injure what would otherwise be a prime carcass.

When satisfactory evidence has been obtained by the International management that this rule has been violated, the exhibitor, his herdsman, his manager, or all of them, may be barred from showing in any classes in the International Live Stock Exposition and reinstatement may be made only by a majority vote of its Board of Directors. In case any premium shall have been awarded to animals shown in violation of this rule, the International management will immediately request the exhibitor to refund all premiums, moneys, cups, trophies, and ribbons awarded under such violation.

Nurse Cows: RULE 50. Use of nurse cows will be permitted only for junior and senior calves, including steers, and will be limited to one cow for

each calf.

IMPORTANT

Signs and placards used in connection with exhibits are not to exceed 22" x 28" in size.

This little fellow says emphatically ... These are My Toys" ... It's natural for him to say this, and he's the capitalist of tomorrow...

He may decide to be tomorrow's farmer or business executive or almost anything he wants to be. But that's not the most important thought right now . . .

This is ...

He can be the capitalist of tomorrow because our competitive enterprise system says he will be free to work where and when he will, to save, to invest, to spend. He may invest to his own advantage and that makes work for others. For there is now, and must continue to be, incentive! An incentive that is realistic...that creates...that helps produce more.

We at Minneapolis-Moline hope to do business with this young American. We hope to help him grow . . . and in turn his growth will help our growth ... and our growth will again create more and better

opportunities for more people.

The world has never known a better system or plan of progress for all mankind.

Let's guard this way of life . . . our American Heritage. It's been mighty good to a lot of people.

Our part in the American parade of progress is the manufacture of a complete line of Modern Farm Machines, Visionlined Tractors and Power Units for modern farming and industry.

A familiar sight on Chicago streets are the big, good-looking yellow trucks of Edward Hines Lumber Co. delivering lumber to the thousands of Hines customers in this great metropolitan area. Before a truck rolls out of one of Hines twenty-four yards, a lot of planning is required. Hines lumber experts have sat down with the customer and determined the best lumber for the job. And when all that's been done, the machinery of actual delivery starts to roll. But the planning, and all the work that's entailed to getting the lumber from the forest to the customers is the package Hines customers buy. It's Hines Service . . . performance that's been under development since 1892 . . . and we're still working hard to make it better!

• MERCURY industrial tractors and trailers—"The Trackless Train"—have been used at every International Live Stock Exposition for the past 37 years. You will see this method in use again at the 1950 Exposition, as "The Trackless Train" delivers feed to all animals on exhibit, and Mercury tractors are used in the arena of the International Amphitheatre during the horse shows.

VISITORS to the Exposition are cordially invited to see the complete Mercury line of industrial tractors, trailers, lift trucks, and other equipment at the Mercury factory, 4044 South Halsted Street.

FAT CATTLE DIVISION

[For stall fees see Rule 46]

IMPORTANT NEW RULE ON STEERS. RULE 51. All steers entered in the Junior Yearling class will be "mouthed" by competent veterinarians; and all steers older than Junior Calves will be ear-tattooed at the show.

Advice to Judges: RULE 52. Judges are instructed to prefer the highest degree of excellence obtainable, considering form, finish, quantity and quality of flesh and fat, and weight for age; to recognize the very highest quality of prime edible meat, and to object to the production of superfluous tallow; qualities that are indicated to the touch, to the end that animals that win prizes on foot shall ultimately be proved first quality of beef and a profitable type of beef-producing animal (See Rule 48).

Disposition of Animals: RULE 53. Entries for slaughter test must be made prior to November 1 and all steers entered in slaughter contest must be designated by name at time of entry.

Duplicate Ribbons: Note.—As there has been considerable rivalry between the exhibitor and the purchaser for the possession of the first and championship ribbons, the management has decided to duplicate these throughout the fat cattle classes.

Note.—Only animals regularly entered and stabled on the Exposition grounds can compete for prizes in the individual classes.

ABERDEEN-ANGUS

The American Aberdeen-Angus Breeders' Association contributes \$2,185 toward the payment of the following prizes for Steers, Spayed or Martin Heifers (purebred, grade or crossbred by Aberdeen-Angus sire.)

NOTE: Date of birth of animal must be stated on entry card. Where exact date is unknown, month may be given.

SLAUGHTER TESTS

Slaughtering and Sale of Carcasses: Note.—All animals in the Carcass Contests will be driven to nearby packing plants where they will be slaughtered and the carcasses judged. The prize-winning carcasses will be returned to the Amphitheatre for exhibition.

The carcasses will be sold and proceeds will be transmitted to the exhibitors through the commission houses they designate.

Delivery of Animals Entered for Slaughter: RULE 56. Exhibitors of animals entered for slaughter in the dressed carcass competition must, when requested, deliver said animals into the charge of the General Superintendent, who shall direct their care, food and shrinkage, in accordance with the requirements of the case. Interference on the part of the exhibitor with animals thus delivered

will be summarily dealt with.

Instructions to Judges: RULE 57. Judges of fat carcasses in competition are instructed to prefer the attractiveness of carcass, percentage of high class meat to total carcass, quantity and quality of flesh and fat. Judges of the dressed carcass classes (cattle, sheep and swine), are furthermore required to make their short leet of six carcasses first and then cut half of these six carcasses into market cuts before making a final decision.

Labeling Carcasses: RULE 58. Carcasses are not to be labeled as to per-

centage of dressed weight, etc. until after they have been judged.

Judging on Hoof: Note.—In order to further increase the educational value of the Slaughter Test, the following classes provide for the judging of animals entered for slaughter, to be judged on hoof as well as in carcass; and any animal which is too unruly to be properly handled and examined may be barred from competition by the judge.

Animals entered in the Carcass classes (133 and 134) must be shown in their respective On Hoof Classes (130 and 131). Competition open to any recognized

beef breed in the carload or single classes.

CHAMPION CARCASS-\$100, RIBBON

AMERICAN SHORTHORN BREEDERS' ASSOCIATION SPECIAL: BEST SHORTHORN CARCASS IN THE SHOW—\$25

FREDERICK BROS.

Wholesalers of

CARLOAD DIVISION

Eligibility of Grain-Fed: RULE 59. Cattle competing as "grain-fed" in the following classes may have been fattened in any part of the world. No restrictions are placed on the places, feeds or methods of the feeder who finished the "grain-fed" cattle for the Exposition and the market.

Ownership, etc.: RULE 60. Affidavits will be required from exhibitors of "GRAIN-FED" cattle in the carload classes, showing that at least twelve of the animals constituting a load were their property for three months prior to the date of entry, while the 30 days' ownership rule prior to the closing date of entry, will apply on the balance.

Program: RULE 61. Carloads of cattle intended for competition in the carload classes must be in place not later than noon, Thursday, November 23, and must be entered one week prior to the opening date of the Show. The weighing of the carloads will be done after the Sifting Committee finishes passing on the cattle, the carloads to be handled prior to weighing in the same way as cattle that are to be sold on the open market. The judging will be done on Saturday, November 25. The cattle will remain on exhibition until 6:00 P.M., Thursday, November 30. All animals must be watered between 1:30 and 2:00 P.M., previous to day of sale; water should be shut off at 2:00 P.M. and troughs must remain drained until after the sale. There will be no stall or entry fee charged in this division.

Note—Steers entered in the Carlot Division cannot be shown in the individual classes.

S M S RANCH SPECIALS

Swenson Land & Cattle Company, Stamford, Texas, will double all prizes won by S M S cattle in the carlot division, under the following conditions: All cattle in the carlot must be S M S cattle and must be entered as such. A sign, stating that they are S M S cattle, must be placed in a conspicuous place in the pen. It is requested that a photograph be made of any prize winning S M S cattle and the photographer be instructed to mail three prints to Swenson Land & Cattle Company at their expense.

CARLOADS OF GRAIN-FED CATTLE

(See Rules 59-60)

RULE 62. Animals to compete in the grain-fed classes may have been bred or fed in any part of the world. However, they must have been fed by an individual or firm, as provided in Rule 7, and evidence to that effect will be required by the management.

Cattle in the "Grain-fed Section" must be in place not later than noon, Thursday, November 23, and must be entered one week prior to the opening date of the Show. The weighing will be done after the Sifting Committee passes on the cattle, and they will be judged on Saturday, November 25.

JUNIOR LIVE STOCK FEEDING CONTEST

For the purpose of encouraging a practical interest among young people on farms in the feeding of cattle, sheep and swine, the Union Stock Yard & Transit Company of Chicago offers the following prizes on animals fed by boys and girls between the ages of 10 and 20 years inclusive on January 1, 1950.

IMPORTANT NOTICE!

All steers entered in the Junior Yearling class will be "mouthed" by competent veterinarians; and all steers older than Junior Calves will be ear-tattoed at the show.

Entries for all Junior Feeding Contest animals must be accompanied by a statement from a county extension agent or a vocational agricultural instructor stating that each animal is known to be eligible and meets all the regulations of the show and of the rules within the respective states. After entries are closéd, the International Live Stock Exposition will stem to the State Club Leader or State Director of Vocational Agriculture (whoever is concerned) a list of members and animals entered, which list must be approved by the interested agency before the show will accept the entry.

CONDITIONS

- (1) Exhibitors are limited to one entry in any one class in this contest except classes 13, 14, 15, 16, 17, 18, 19, 22 and 26. ONLY FIRST AND SECOND PRIZE STEER WINNERS in the Junior Feeding Contest will be eligible to compete in their respective open classes. No previous entry will be necessary. (This does not refer to the CARCASS CLASSES which are in the Open Show and in which all contestants in the Junior Feeding Contest are eligible to compete, but entries must be made prior to November 1.)
- (2) Steers in the Junior Feeding Contest will be reviewed by a Weeding Committee beginning at 8 a.m. Thursday, November 23. The classes will be called for this purpose in the order they appear below. Steers that are weeded will be sold Friday, November 24, beginning at 8 a.m., in a special auction. All steers in this contest must be delivered to Sheep House No. 2 on Exchange Ave. not later than 6 p.m., Wednesday, November 22.
- (3) Exhibitors must personally feed and care for the animals entered during the entire feeding period, and also personally exhibit these animals without any aid or assistance; unless excused by the Superintendent of the Contest while showing in another Junior class, which permission must be secured prior to actual showing, and be filed in writing. (Away from home, attending school or working, will be considered a violation of this rule.)
- (4) Animals will not be permitted to change ownership after April 1, 1950, in the case of calves; and June 1, 1950, in the case of lambs and barrows.
- (5) A statement from a bona fide extension agent or agricultural instructor that animals entered were fed in accordance with rules of contest by the exhibitor, will be required on the entry card to prove eligibility.
- (6) Animals entered in this contest must be penned in the special section provided.
- (7) The same rules concerning entry fee, feed charges and other matters not specifically mentioned above will prevail in this contest as in the open classes.
- (8) The calves entered in this contest must be on the Exhibition Grounds by 6 p.m., Wednesday, November 22. No animal can be exhibited unless contestant has complied with all of the above requirements.

All entries in the calf classes will be subject to a weeding committee before they are judged.

- (9) Animals entered in this contest can also be entered in the carcass classes by fulfilling requirements and making separate entries.
- (10) A special auction sale will be provided for calves entered in this contest on Friday morning at 9:00 o'clock, Dec. 1. There will be an auctioneer's fee of 50c per head for this sale and it is optional with the owners if they will sell through it. Exhibitors must provide halters to be left on the animals after the sale.
- (11) An experienced leader will be in charge of the exhibitors in this contest and will arrange tours and other activities of interest to the member insofar as time for such activities is available.
- (12) Dormitory accommodations in the Stock Yards Inn Annex at the special rate of \$1.00 per night will be provided, as far as such quarters are available at that time, for the boys in this contest. If hotel rooms are desired, make reservations early.

CALVES

Steers, Spayed or Martin Heifers (purebred, grade or crossbred). Purebred sire or predominance of breed type and character to classify in case of grades and crosses. Date of birth of animal must be given; if exact date unknown, give month and year.

1. The three (3) exhibitors in the Junior Live Stock Feeding Contest who have accomplished the best all-around achievements in their junior agricultural activities will be awarded the scholarships.

A scholarship may be applied toward a course at a State Agricultural College. In exceptional cases, a scholarship may be applied toward a course at an approved educational institution other than a State Agricultural College. To do this, the winner must make such a request in writing to the National Committee on Boys & Girls Club Work, 59 East Van Buren Street, Chicago 5, Illinois. This request must be accompanied with written approval from (1) County Agent or Agricultural Instructor; and (2) State Club Leader or the State Vocational Agricultural Supervisor.

This scholarship shall be used within a year after the winner has completed the necessary non-collegiate school work. At the same time the national winners are chosen, an equal number of alternates will be selected on a descending basis. If a scholarship winner fails to avail himself or herself of the money involved, said award shall be offered to the first alternate in line. One-half of the money of the scholarship prizes will be paid at the time of matriculation and one-half at the middle of the first collegiate year upon receipt of a report of satisfactory progress by the winner from the State Leader or Supervisor.

- 2. Each winner will also receive a solid gold medal which will be presented by Mr. Thomas E. Wilson.
- 3. Winners of Thomas E. Wilson National 4-H Meat Animal contest scholarships are not eligible for a scholarship award in this contest.

- 4. Each exhibitor must submit original record books in so far as possible and a record on an official blank which will be supplied by the International Live Stock Exposition immediately following receipt of exhibitor's entry of his live stock in the Junior Feeding Contest not later than November 1, 1950.
- 5. The exhibitor's record to be filled in on the official blank must be returned to the International Live Stock Exposition, Union Stock Yards, Chicago 9, Illinois, not later than November 15, 1950.
- 6. The records will be judged by a committee and the winners will be announced during the International Live Stock Exposition.

HAMPSHIRE

AMERICAN HAMPSHIRE SHEEP ASSOCIATION SPECIALS

All animals showing for these specials must be registered in the record of the above association, carry the ear tags of said association at the time of showing and be bred and owned by the exhibitor, who must be a member of this association in good standing. All awards must be certified to by Supt. of Sheep Department, in each case giving the numbers of the winning animals as shown by labels in their ears. No prizes shall be awarded to inferior animals, regardless of competition or lack of it. Only two prizes in a single class and one prize in a group will be paid any one exhibitor. No sheep artificially colored will be eligible for any Association prize money.

THE MACMILLAN HOOPES TROPHY

Mr. Macmillan Hoopes, Wilmington, Del., past president of the American Hampshire Sheep Assn., desiring to have the greatest possible improvement of the breed always foremost in the minds of the breeders, offers, under the auspices of the Association, a silver cup, as a permanent trophy at the "International" for the Best Pen of Three Registered Ram Lambs, bred and owned by exhibitor, who must be a member of the Association in good standing. Winner to hold trophy for one year and return same to Exposition management in time for succeeding annual Exposition; each winning exhibitor's name to be engraved on trophy.

THE COMFORT A. TYLER MEMORIAL TROPHY

Presented to the members of the American Hampshire Sheep Association by a friend, in memory of the late Comfort A. Tyler, who was Secretary of the Association 1900-1934. Competition on best group of two yearling ewes and two ewe lambs, all registered, bred and owned by exhibitor, and shown at Chicago International Exposition. Winner to hold trophy for one year, returning it in time for the next "International."

1950 "REVIEW AND ALBUM"

Copies of the 1950 "Review and Album" will be available, on application, as soon as possible after the close of this Exposition.

These books will contain every award at the 1950 Show, pictures of the champions, judges, list of exhibitors, department reviews, etc. One of these attractive cloth-bound books should be in the library of every stockman.

SHROPSHIRE

AMERICAN SHROPSHIRE REGISTRY ASSOCIATION SPECIALS

The above Association offers the following special prizes on Purebred Shropshires, under the following conditions:

- 1. Competing animals must be American bred; recorded in the American Shropshire Registry Association records; wear the ear tag of the breeder in one ear, and the Association tag in the other at the time of showing and such numbers MUST agree with those entered in the Exposition's records. Our Association Record must show claimant of awards to be a member of The American Shropshire Registry Association, and owner of sheep at the time of showing.
- 2. CERTIFICATES OF REGISTRY of all animals on exhibit must be available when called for in the show ring.
- 3. Unworthy animals shall not compete for these prizes. Where there is a single exhibitor only one award in each class may be made. All pens and groups must be bred by exhibitor.
- 4. Awards to any one exhibitor shall be limited to two prizes in single classes and one in groups.
- 5. Champion prize competition is limited to first prize animals shown in preceding classes,

F. AMBROSE CLARK TROPHIES

Mr. F. Ambrose Clark, of Iroquois Farm, Cooperstown, New York, offers two silver cups won at Perth, Scotland, in 1899, by the Rt. Honourable, the Earl of Strathmore, father of the present Queen of England.

One trophy is offered for the champion Shropshire ram, the other for the champion Shropshire ewe, and both must be won three times before becoming

permanent property of the exhibitor.

SOUTHDOWN

SOUTHDOWN SHEEP SOCIETY OF ENGLAND SPECIAL

In order to further the interests of the breed in the United States the South-down Sheep Society of England offers a Perpetual Challenge Cup, value \$125, for the best flock (one ram, two yearling ewes and two ewe lambs) of registered Southdown sheep exhibited at the "International," belonging to a member of the American Southdown Breeders' Association. This cup is to be in the possession of the breeder who wins it for one year at a time and his name is to be engraved upon it. The American Southdown Breeders' Association will offer a suitable medal, properly inscribed, to be the permanent property of the breeder who wins this cup each year.

ENGLISH SUFFOLK SHEEP SOCIETY SPECIAL

In order to further the interests of the breed in the United States, the English Suffolk Sheep Society offers a Perpetual Challenge Cup, value \$125, for the best flock (one ram, two yearling ewes and two ewe lambs) of registered Suffolk sheep exhibited at the "International," belonging to a member of the National Suffolk Sheep Association (but not necessarily bred by exhibitor). This cup is to be in the possession of the breeder who wins it for one year at a time and his name is to be engraved upon it. The cup is to be returned to the National Suffolk Sheep Association at Chicago in time for the Show again next year.

THE TOM BRADBURNE MEMORIAL TROPHY

This cup is offered by Jess C. Andrew and family in memory of their shepherd who served them faithfully for 28 years. It is open for competition to the shepherds of all breeds of sheep. He had so many friends among the other breeds that he would like to have the art of fitting and trimming carried on in all breeds.

The showing for this trophy will be at the end of the sheep judging, and the animals to be shown shall be one yearling ram and two yearling ewes, trimming and condition of fleece to count 60 per cent, fitting to count 40 per cent.

This is to be a perpetual cup, and the winner's name will be inscribed each year on the cup, and the cup is to remain in the Saddle and Sirloin Club where the people most interested will see it.

NATIONAL 4-H SHEEP SHEARING CONTEST

The purpose of this contest is to assist 4-H Club members to learn how to carry out a complete Sheep Husbandry program by including the shearing and preparation of wool for market.

WOOL SHOW

- 1. Purpose—The objects of this exhibit are: First, to encourage the production of better wool; second, to stimulate interest in the proper preparation of wool for market; third, to ascertain the commercial grading of the fleeces of the various breeds; and fourth, to select the best fleeces entered in each class.
- 2. Eligibility of Contestants—Any grower of wool may enter fleeces, but they must be entered in the name of the grower.
- 3. Entry Fees—No entry fees will be charged, but all fleeces competing will become the property of the International Live Stock Exposition and proceeds of the sale of such fleeces will be used to pay the premiums. Exhibitors may repurchase their fleeces for \$2.00 each but notice of their desire to do so must be given to the management prior to the closing of the show.
- 4. Number of Entries—Exhibitors are limited to two entries in any class, but entries may be made in as many classes as desired.
 - 5. Eligibility of Fleeces-In order to compete for prizes, each fleece must:
 - (a) Have been shorn in 1950.
 - (b) Represent not more than 12 months' growth except that in the case of yearling fleeces, 16 months' growth will be allowed.
- 6. Qualifications—Any fleece entered in competition at the Wool Show shall be discriminated against if:
 - (a) Tied with other than paper twine.
 - (b) Showing any paint or tar brands (soluble branding fluids permissible).
 - (c) Showing excessive dung locks or tags.
 - (d) Discolored by excessive moisture.
 - (e) Cotted.
 - (f) Showing a weak staple or break in fiber.
 - (g) Containing any excess of burrs or other vegetable matter.
- 7. Preparation of Fleeces—The fleeces shall be tied with paper fleece twine, flesh side out, in a manner to allow their being handled without falling apart.
 - 8. Entries close November 10, 1950.
- 9. Fleeces must be delivered to the Superintendent of the Wool Show on or before November 24, 1950.

SWINE DEPARTMENT

ILLINOIS REGULATION BARROW DIVISION

All health certificates, approved by the Chief Veterinarian, or other State livestock sanitary official of the State of origin, for livestock entering Illinois from other states must be mailed to the Division of Livestock Industry, Springfield, Illinois, in advance of the arrival of animals at Illinois destination.

RULE 69. Pen fees shall be 75 cents for each animal, no pen to cost less than \$4.00, except in the carload lots, where no fees are charged. These fees must accompany the application for entry, and will not be refunded if applicant fails to exhibit his animals.

RULE 70. Exhibitors will not be allowed to make more than three entries in any class, and no animals will be given pen room unless properly entered.

RULE 71. Animals entered for competition in the single classes may also be shown in the pen exhibits, but only as property of the original exhibitor.

RULE 72. All animals exhibited in the barrow classes must be accompanied by a certificate from the Record Association representing the breed, showing the name and record number of sire and dam.

RULE 73. All barrows entered in the pen exhibits must individually weigh to weight requirements.

RULE 74. CARCASS ENTRIES. Entries for all barrow carcass classes

must be made prior to November 1.

RULE 75. All swine exhibited at owner's risk. The Association will not be responsible for any accidents or diseases of any nature. All swine exhibited at the "International" must be accompanied by a certificate issued by an accredited approved veterinarian of the state of origin showing that the swine are free from symptoms of any contagious, infectious or communicable disease and that they have been immunized against hog cholera.

NOTE: See Rule 37 regarding eligibility in Champion Classes; and Rule 38

in regard to Competition.

BERKSHIRE

(No Barrow farrowed prior to March 1, 1950, will be eligible to compete at the 1950 "International.")

CUDAHY TROPHY

Mr. E. A. Cudahy, Jr., has offered a trophy to the exhibitor of the Best Belgian Stallion bred in the United States or Canada, and exhibited at International Live Stock Exposition, by a breeder whose principal source of income is derived from agriculture, or the breeding of Belgian horses, or both.

Competition will be an annual feature of the International Live Stock Exposition and the trophy must be won three times before becoming the permanent

property of the exhibitor.

The award will be made to the highest ranking stallion that is eligible on the basis of the awards of the different classes. The selection will be made in the order named for the qualifying breeder: Grand Champion, Reserve Grand Champion, Junior Champion and Reserve Junior Champion.

The person selected to make this award shall be the sole judge of the eligi-

bility of all entries to compete for the same, and his decision shall be final, from

which there shall be no appeal.

PERCHERON

The International offers \$400 toward the payment of the following prizes while the Percheron Horse Association of America makes up the balance offered.

Animals competing must be recorded in the Percheron Horse Association of America or the Percheron division of the Canadian National Live Stock Records of Canada and be properly transferred to present owner in order to be eligible to compete for the Percheron Association's proportion of prize money.

PERCHERON HORSE ASSOCIATION OF AMERICA TROPHY

The Percheron Horse Association, Chicago, offers a sterling silver challenge trophy on the Grand Champion Percheron Stallion. The trophy must be won three times in succession or five times intermittently to become the permanent property of the exhibitor.

PERCHERON SOCIETY OF FRANCE TROPHY

The Percheron Society of France, Nogent le Rotrou, France, offers a trophy to be awarded at the 1950 International Live Stock Exposition to the best stallion or mare imported from France, the trophy to become the permanent property of the exhibitor winning it three times in succession, or five times intermittently.

1950 "REVIEW AND ALBUM"

Copies of the 1950 "Review and Album" will be available, on application, as soon as possible after the close of this Exposition.

These books will contain every award at the 1950 Show, pictures of the champions, judges, list of exhibitors, department reviews, etc. One of these attractive cloth-bound books should be in the library of every stockman.

COLLEGIATE LIVE STOCK JUDGING CONTEST

Recognizing the importance of interesting young men in the study and improvement of the various breeds of domestic animals, the management of the International Live Stock Exposition will make the stock judging contest an important feature of their program. The Union Stock Yard and Transit Company will award a beautiful trophy to the Agricultural College whose five students do the most efficient work in judging the classes of horses, cattle, hogs and sheep assigned for the purpose, the students to give reasons substantiating their judgment. This trophy must be won three times before becoming the permanent property of any one institution. The college having the winning team is given temporary possession of the trophy during the following year.

If the highest ranking teams in judging all classes are tied with a numerical score, the team so tied that has the highest ranking contestant in judging all classes shall be designated as the winning team. And if the highest ranking individuals of the highest ranking teams are tied, the team having the next highest ranking individual shall be designated as winning team.

Should numerical tie scores occur for the highest ranking teams in judging horses, cattle, sheep or swine, the winning team shall be determined by applying the above method to the teams and individuals concerned in judging the class of live stock wherein the numerical tie occurs.

In addition to the above trophy the following ribbons will be furnished: Ribbon to each member of winning team; one to ranking man in Cattle, Horses, Sheep and Swine, respectively; championship ribbon to high man (all classes); and graded ribbons to next four in rank, all classes.

The "International" will also award a bronze medal to each contestant regardless of his standing in the contest.

COACHES' MEETING

A meeting of the coaches will be held at the LaSalle Hotel, Friday, November 24, 7 p.m., at which time they will make final entries.

BURT ODERKIRK MEMORIAL AWARD

The Burt Oderkirk Memorial Award, provided by his friends, will be awarded as follows: a Silver Trophy will be presented to the high man in the contest; a rotating Plaque will be presented to the institution represented by the high man in the contest.

"SUCCESSFUL FARMING" SPECIALS

The above publication offers canes to the ranking men in the judging of horses, cattle, sheep and swine, respectively.

"COUNTRY GENTLEMAN" SPECIAL

This publication offers a 35 mm. camera to the highest ranking gentleman in this contest.

ROYAL AGRICULTURAL SOCIETY OF ENGLAND SPECIAL

The Royal Agricultural Society of England offers a perpetual challenge trophy to be awarded for one year to the college whose team wins the contest.

CHARLES J. LYNN AWARD

Charles J. Lynn Award of \$150; \$25 to each member of the high-ranking team in judging horses and \$25 to the high-ranking individual in judging horses.

AMERICAN SHORTHORN BREEDERS' ASSOCIATION TROPHY

The American Shorthorn Association offers a beautiful trophy to the team making highest score in the judging of beef cattle. This trophy must be won three times before becoming the permanent property of any college.

PERCHERON ASSOCIATION TROPHY

The Percheron Horse Association of America offers a sterling silver Challenge Trophy to the team ranking highest in the judging of Percheron horses. This trophy must be won three times in succession or five times intermittently to become the permanent property of any institution.

BELGIAN DRAFT HORSE CORPORATION TROPHY

The Belgian Draft Horse Corporation of America will award a handsome silver trophy to the team taking highest rank judging Belgians. Said trophy shall become the permanent property of any institution only after its team shall have won it three different times.

AMERICAN SOUTHDOWN BREEDERS' ASSOCIATION TROPHY

The American Southdown Breeders' Association offers a special plaque to the high team judging sheep. This trophy must be won three times before becoming the permanent property of any one college.

AMERICAN BERKSHIRE ASSOCIATION TROPHY

The American Berkshire Association, H. J. Brant, Secretary, Springfield, Illinois, offers a handsome silver trophy to the team taking highest rank in judging Berkshire barrows. This trophy must be won three times before becoming the permanent property of any institution.

HAMPSHIRE SWINE REGISTRY TROPHY

The Hampshire Swine Registry offers a beautiful trophy to the team making the highest score in the judging of swine. This trophy must be won three times before becoming the permanent property of any institution.

(1) RULES GOVERNING ELIGIBILITY OF CONTESTANTS

1. Any agricultural college undergraduate student representing his institution who has never taken part in any collegiate meat stock or heavy horse judging contest of interstate or international character previous to the year in which the contest is held, may enter, provided he is in attendance as a regu-

larly enrolled student in the institution he represents, has taken one year's work in that institution, has not been away from the institution more than two years at a time after first entering said institution and who has at no time served in the capacity of animal husbandry instructor in any agricultural college.

Exceptions to Above: Regularly enrolled collegiate students, whether war veterans or not, who were members of teams competing in interstate contests in 1942 and who could have met all other requirements for competition in an International contest in 1942 shall be considered eligible for competition in 1950.

Veterans of Military Services not included above shall be considered eligible for competition in 1950 if they meet all requirements of Rule 1, except that pertaining to time away from the institution, and that time requirements shall be waived for war veterans only.

- 2. No college shall be represented by more than five men, which number shall constitute a team.
- 3. Each institution shall file with the Superintendent of the Students' Judging Contest at the time its students are entered an authoritative statement covering the eligibility of each of its representatives.

(2) SUPERINTENDENT

- 1. It shall be the duty of the Superintendent to see that all rules and regulations governing the contest are duly carried out. He shall see that the contest is conducted with fairness and justice to all concerned.
- 2. The Superintendent shall have complete charge of the contest. If the committee of coaches chosen to select animals for the classes fail to agree promptly, it shall be his duty to confer with the contest judges, select the class, and proceed with the contest.
- 3. The Superintendent shall have a chief clerk and helpers to assist him in superintending the students while working on the different classes of stock and to aid him in such other capacities as he may require.
- 4. He shall direct the contestants which class to judge, time to commence work, and time to stop.
- 5. He shall say nothing to a contestant concerning the method to follow, either in judging the class, forming reasons, or giving reasons before the committee.
- 6. The Superintendent shall have nothing to do with placing the animals in the various classes, nor with the grading of the placing, or the reasons.
- 7. He shall have charge of all the grades given for both placing and reasons, and it shall be his duty to have these tabulated and totaled, and he shall deliver the result of the contest to the Secretary of the International Live Stock Exposition, who shall publish the result.

(3) CLERKS, ASSISTANTS AND ATTENDANTS

The clerks, assistants and attendants shall be at the command of the Superintendent and shall carry out his orders, and none of these assistants shall confer with the contestants, unless directed to do so by the Superintendent.

The attendants showing the live stock shall hold the animals in a careful manner, so that all contestants may have a fair chance to make observations on the same.

(4) JUDGES

- 1. Two judges shall be provided for each class of stock. (It is preferable that the judges be men with animal husbandry training, and engaged in live stock work.) The judges on the respective classes of live stock shall be designated as Judge A and Judge B. Judge A shall pass upon the placing of two rings of stock and shall decide upon which of these two rings he will require reasons to be given. Judge B shall pass upon and grade the placings and reasons given on the third ring of stock.
- 2. It shall be the duty of each judge to look over and approve his respective ring or rings of stock before the animals have entered the arena. It shall be his further duty after they have entered the arena to decide as to the order in which they shall be placed, and to decide on the essential reasons for placing the first above the second, the second above the third, and the third above the fourth. The judge shall keep the rating of the animals secret until after the contestants have been before him.
- 3. The judge shall also take charge of the ring of animals while the contestants are at work and shall see that the animals are shown satisfactorily.
- 4. When the contestant appears before the judge the clerk shall present the contestant's card bearing his rating of the animals, but not his grade, and the judge shall make a note of the same and grade it as his judgment dictates, and record his grade for placing on a card bearing the contestant's number. Fifty points shall constitute a perfect mark for placing. The contestant shall have two minutes in which to give his reasons for placing the animals. It shall be the duty of the judge to hear those reasons, to grade the same, and record his grade for reasons on the cards mentioned above. Fifty points shall constitute a perfect mark for reasons.

(5) CONTESTANTS

- 1. All prospective contestants must send in their entries to William E. Ogilvie, Secretary of International Exposition, by November 15, 1950.
- 2. Regular entry forms will be mailed all prospective contestants who request them before November 15, 1950.
- 3. An entry fee of \$5.00 will be charged each contestant, which sum must be forwarded with the application. The money received from this source is to be used in defraying the expenses of the examiners.
- 4. Each college will be restricted to entering five (5) men, which number shall constitute a team.
- 5. Each contestant shall report to the Superintendent in the Amphitheater at 7:30 A.M., Saturday, November 25, 1950, when he will be assigned a number and receive such instructions as the Superintendent desires to give.
- 6. No contestant will be permitted to inspect the livestock at the International Live Stock Exposition prior to the contest. Any transgression of this rule will be sufficient cause to bar a student from the contest.
- 7. No contestant shall wear any uniform, college colors, college hat, nor shall he in any way signify to the judges his identity or the identity of the college which he represents.
- 8. While the contest is in progress, there shall be no conferring between contestants or between a contestant and anyone else, except as directed by the Superintendent or his representative. Any violation of this rule will be punished by the expulsion of the offender.
- 9. The contestants shall be divided by the Superintendent into four groups: A, B, C, D, and shall be so designated thereafter throughout the contest.

- 10. When the four rings of stock are brought in, Group A contestants shall be assigned to one, B to a second, C to a third, and D to a fourth. All groups shall be notified three minutes before time is up. When final time is called Group A shall move to the second ring, B to the third, C to the fourth, and D to the first ring, and shall continue to rotate in this way until each group has passed on every ring of live stock.
- 11. The contestant shall hand his card, bearing his number, the descriptive name given the class of animals, and his placing, to the Supervising Clerk immediately after he finishes with each class.
- 12. Each student shall be required to give reasons on two of the three rings of stock he has examined in each class.

The contestants will be informed which two of the three rings of live stock of each class reasons will be required upon as soon as that point is decided.

13. When the contestants have passed upon all of the rings of stock they shall be taken to convenient quarters where each contestant shall be called before each committee of judges to give reasons for placing each ring. The contestants will be required to give reasons on one ring only at each hearing before the respective committees. The contestants shall be called before the committees to give reasons in the same order that they followed in placing the rings of stock in the arena.

(6) TIME

1. In each of the classes eighteen minutes shall be allowed the contestant to make his observations, record his placing, and write such memoranda as he may desire.

Each squad shall observe the rings of stock at a distance of twenty-five feet during the first three minutes. At the end of three minutes close inspection will be allowed.

Each group of contestants examining sheep shall be divided into two squads at the end of the first three minutes. Squad I shall remain in position twenty-five feet from the sheep for six minutes while Squad II makes close inspection; and Squad II shall stand in order twenty-five feet from the sheep for six minutes while Squad I makes close inspection. During the last three minutes all contestants will be required to remain twenty-five feet from all rings of sheep.

Contestants must remain outside the inner ring or rope surrounding the hogs that are judged and will not be permitted to handle the hogs at all.

No contestant shall hold any paper, card or device that will assist him while he is giving his reasons before the judges, except that he will be handed the card he turned in, which he will be allowed to retain while giving his reasons.

Each contestant shall appear singly before the judges and will be allowed two minutes to give reasons for his placing of each ring of animals. The contestant shall write his placing on a card and hand it to the clerk, as soon as he has finished the work of placing the class.

(7) THE RINGS OF LIVE STOCK—HOW SELECTED

The representatives of the institutions having full teams of students in the contest shall divide themselves into committees at a meeting to be held in the Amphitheater on the morning of the contest at 7:30 A. M., and immediately report their committee lists to the Superintendent. It shall be the duties of these committees to select and get out the rings of stock to be used in said Students' Judging Contest. It shall be their further duty to specify the description of the ring that shall be given to the students.

The representative of each institution having a team entered shall inform these committees what stock on the Exposition grounds his team of students have worked upon.

(8) CLASSES OF LIVE STOCK AND METHODS OF NUMBERING

- 1. Four animals shall constitute a ring.
- 2. The horses, cattle and sheep shall be identified by either placing a card on the animal or on the arm of the attendant holding same. These cards shall be numbered 1, 2, 3, 4.
- 3. All newspaper men, officials and others, except the Superintendent, his assistants, the judges, policemen and holders of stock, shall be excluded from the ring while the contest is in progress.

The program to be followed will be given to the students by the Superintendent in charge on the morning of November 25, 1950.

The contest will begin at 7:30 A. M.

COLLEGIATE MEAT JUDGING CONTEST

The Intercollegiate Meat Judging Contest, inaugurated in 1926, will again be a feature of the International Live Stock Exposition. The contest will be held on Tuesday, November 28, in the wholesale market of one of the packers. R. C. Pollock, Secretary-General Manager of the National Live Stock and Meat Board, will again serve as superintendent.

The contest is open to all agricultural colleges and to any other institution where adequate meat instruction is included as a regular course in the college curriculum. A team shall consist of three students. No college shall be represented by more than one team.

A contestant must be an undergraduate student who never has competed previously in a meat judging contest at the International Live Stock Exposition. It is required that the individual be a regular student at the institution represented, that the individual has had at least one year's work at that institution and has not been away from the institution more than two years at a time after first entering said institution. Also that the individual has at no time served as animal husbandry instructor in any agricultural college.

Exceptions to Above: Regularly enrolled collegiate students, whether war veterans or not, who were members of teams competing in interstate contests in 1942 and who could have met all other requirements for competition in an International contest in 1942 shall be considered eligible for competition in 1950.

Veterans of Military Services not included above shall be considered eligible for competition in 1950 if they meet all requirements of the above, except that pertaining to time away from the institution, and that time requirements shall be waived for war veterans only.

Teams will judge eleven classes of meat as follows:

Two classes of beef carcasses.

Two classes of wholesale beef cuts.

One class of pork carcasses.

Two classes of wholesale pork cuts.

Two classes of lamb carcasses.

(The above classes will contain four exhibits each.)

One class of beef carcass for Classification and Grading.

(This class will consist of twenty beef carcasses which must be classified as to steer, heifer, cow or butcher bull carcasses and then graded on the basis of conformation, finish and quality. Each carcass is to be graded as high or low within one of the following U. S. grades: Prime, Choice, Good, Commercial, Utility.)

One class of (10) lamb carcasses for grading.

The lamb carcass grading class will be set up on the same basis as described for grading the beef carcass class.

All judging classes will be arranged to permit an even flow of work. Contestants will be divided into groups of sufficient number to provide a smooth running contest, individuals on each team being placed in different groups. Each group will be assigned to a different class of carcasses or cuts and at the end of the period will pass on to another class. Fifteen minutes will be allowed

for note taking and placing each of the five reason classes. Twelve minutes will be allowed per class for writing reasons. Twelve minutes will also be allowed for judging of each of the four non-reason classes and two periods, or twenty-four minutes, for classifying and grading the twenty beef carcasses. Twelve minutes will be allowed for grading the 10 lamb carcasses.

The rating of individual contestants and teams will be in the hands of a committee of judges. Selection of the meat for the different classes to be judged also will be in the hands of the judging committee.

The awards will consist of a trophy, emblems and ribbons. The National Live Stock and Meat Board trophy—appropriately engraved—will be awarded to the team making the highest score in the contest. The trophy will be held by the team winning it only until the next contest unless the team is able to win it again. To retain it permanently a team must win it three times. A special plaque appropriately engraved will also be awarded to the winning team as its permanent property by the National Block and Bridle Club.

Appropriate emblems will be awarded by the National Live Stock and Meat Board as the permanent property of individuals placing first in the judging of the four major classes—beef, pork, lamb and beef carcass classification and grading—and also to the highest ranking individual in the contest.

Ribbons will go to each of the highest four individuals of the contest following the high man.

COLLEGIATE CROPS JUDGING CONTEST

The International Collegiate Crops Judging Contest, which has been a feature of the International Live Stock Exposition, beginning with 1923, will be held on Saturday, November 25. It is open to agricultural colleges and schools of similar rank and purpose in the United States and Canada.

Three regular members and one alternate selected from students of good standing shall represent an institution.

The contest will be divided into three groups.

- (a) Commercial grading of 15 samples including 8 samples of grain, 3 samples of hay, 2 samples of cotton grading, and 2 samples of cotton stapling.
- (b) Seed judging of 6 four-sample classes selected from the following crops: Sorghum, wheat, barley, oats, soybeans, cowpeas, field beans, alfalfa, red clover, sweet clover, and timothy.
- (c) Crop identification, including (a) variety and crop name, and (b) Latin name of 75 specimens of field crops, crop diseases, and weeds.

The coaches will meet at a time specified by the superintendent on the morning of the contest to check, rearrange, and give final approval to all materials.

Detailed general rules, and special rules governing each division of the contest, may be obtained from the superintendent.

The awards include a trophy for high team, trophies and ribbons for members of the high team, trophy and ribbon for high individual, ribbons for members of the second and third teams, second and third individuals, and high individual in each—grading, judging, and identification. In addition, bronze medals are presented to each contestant.

The committee in charge of the contest comprises

E. D. Holden, University of Wisconsin, Superintendent Hugh Delaney, U. S. D. A.H. H. Whiteside, U. S. D. A.Contest Coaches Committee

JUNIOR LIVE STOCK JUDGING CONTEST

The Union Stock Yard & Transit Company, desiring to stimulate interest among the young people of this country in live stock production, offers a beautiful silver trophy to each member of the team making the highest score in the judging of the live stock offered in this contest.

THE CHICAGO ASSOCIATION OF COMMERCE AND INDUSTRY SCHOLARSHIPS

The Chicago Association of Commerce and Industry offers \$500 for three agricultural college scholarships to be awarded to the three contestants making the highest score in the judging of all classes. (See rules at end of section.)

ARMOUR & COMPANY SCHOLARSHIPS

Armour & Company offer three scholarships of \$300 each, to be awarded to the three individuals in this contest who are high respectively in judging cattle, sheep and swine. (See details at end of section.)

"COUNTRY GENTLEMAN" SPECIAL

This publication offers a 35 mm. camera to the highest ranking individual in this contest.

NOTICE

An important MEETING OF THE COACHES will be held in the Stock Yard Inn, Thursday, November 23, at 7:30 P.M. Inquire at the desk for room number.

(1) RULES GOVERNING ELIGIBILITY OF CONTESTANTS

- 1. Participation in this contest shall be limited to one team, consisting of three individuals, from each state. The individual members of the team representing a state shall be selected in a manner determined by the Dean of Agriculture and the contestants declared eligible and certified by the Dean of Agriculture. Each team may enter an alternate. If the superintendent approves the alternate participation in the contest, the scores of the three high contestants will count as the team score. The fourth member will be the alternate on all classes of stock. The state team shall be determined by a state judging contest. The Dean of Agriculture shall certify the eligibility of the state team to the secretary-manager of the International Live Stock Exposition not later than November 15, 1950.
- 2. Each contestant must have passed his 14th birthday and must not have passed his 21st birthday on or before. January 1, 1950. The contestant must have been a regularly enrolled member of a 4-H livestock club or a student of the school he represents for at least 5 months during the current year. College students who matriculate prior to September 1 of the current year, or who have taken work beyond high school grades before that date are not eligible to compete in this contest. (This restriction does not apply to those who have attended a short course of two weeks or less.) Contestants who have taken part in a meat animal or horse judging contest of a national character prior to 1950 are not eligible.

(2) SUPERINTENDENT

- 1. The Superintendent will see that all rules and regulations governing the contest are carried out and that the contest is conducted with fairness and justice.
 - 2. He will have an assistant superintendent and helpers to assist him.
- 3. He shall direct the contestants which class to judge, time to commence work, and time to stop, but will not indicate the method to follow, either in judging the class, forming reasons, or giving reasons before the committee.
- 4. The Superintendent shall have nothing to do with placing the animals in the various classes, nor with the grading of the placing, or the reasons.
- 5. He shall have charge of all the grades given for both placing and reasons, and it shall be his duty to have these tabulated and totaled, and he shall deliver the result of the contest to the Secretary of the International Live Stock Exposition, who shall publish the result.

(3) CLERKS, ASSISTANTS AND ATTENDANTS

The clerks, assistants and attendants shall be at the command of the Superintendent and shall carry out his orders, and none of these assistants shall confer with the contestants, unless directed to do so by the Superintendent.

The attendants showing the live stock shall hold the animals in a careful manner, so that all contestants may have a fair chance to make observations on the same.

(4) JUDGES

- 1. Each judging committee shall consist of two experienced judges and an effort will be made to secure one animal husbandry instructor and one breeder or feeder of the class of animals to be passed upon.
- 2. It shall be the duty of each committee of judges to look over the rings of stock assigned to it and of each judge to decide as to the order in which the ring shall be placed, and to decide on the essential reasons for this placing. The judges shall keep their ratings of the animals secret until after the contestants have been before the committee.
- 3. Contestants will be handed their placing card as they appear before each committee of judges to give their reasons. When the contestant has finished, each judge will record his grade. Judges will then place the official grade upon the contestants placing card.
- 4. Fifty points shall constitute a perfect mark for reasons and fifty points a perfect mark for placing.

(5) CONTESTANTS

- 1. Entries for all contestants must be sent to William E. Ogilvie, Secretary, International Live Stock Exposition, Union Stock Yards, Chicago, by November 15, 1950.
- 2. An entry fee of \$3.00 will be charged each contestant (including alternates who judge), which sum must be forwarded with the application. The money received from this source is to be used in defraying the expenses of the examiners.
- 3. Each contestant shall report to the Superintendent at the Amphitheater at 8:00 A.M., Friday, November 24, 1950, when he will be assigned a number and receive such instructions as the Superintendent desires to give.

- 4. No contestant will be permitted to inspect the live stock at the International Live Stock Exposition prior to the contest. Any transgression of this rule will be sufficient cause to bar a student from the contest.
- 5. No contestant shall wear any uniform, high school or club colors, nor shall he in any way signify to the judges his identity or the identity of the high school or club which he represents.
- 6. While the contest is in progress, there shall be no conferring between contestants or between a contestant and anyone else, except as directed by the Superintendent or his representative. Any violation of this rule will be punished by the expulsion of the offender.
- 7. The contestants shall be divided by the Superintendent into four groups: 1's, 2's, 3's and 4's, and shall be so designated thereafter throughout the contest. In no group shall there be more than one contestant from any one state.
- 8. When the four classes of stock are brought in, Group 1 contestants shall be assigned to one class, 2 to a second, 3 to a third and 4 to a fourth class. All groups shall be notified three minutes before time is up. When final time is called, Group 1 shall move to the second class, 2 to the third, 3 to the fourth, and 4 to the first class, and shall continue to rotate in this way until each group has passed on every class of live stock.
- 9. The contestant shall hand his card, bearing his number, the descriptive name given the class of animals, and his placing, to the Group Leader immediately after he finishes with each class.
- 10. Each student shall be required to give reasons on one of the two rings of stock he has examined in each class.

The contestants will be informed which one of the two rings of live stock of each class reasons will be required upon as soon as that point is decided.

11. When the contestants have passed upon all of the rings of stock they shall be taken to convenient quarters where each contestant shall be called before each committee of judges to give reasons for placing each ring. The contestants will be required to give reasons on one ring only at each hearing before the respective committees. The contestants shall be called before the committees to give reasons in the same order that they followed in placing the rings of stock in the arena.

(6) TIME

- 1. In each of the classes where no reasons are given twelve minutes will be allowed and in each of the classes where reasons will be given eighteen minutes will be allowed the contestant to make his observations, record his placing and make such memoranda as he may desire. The contestant shall write his placing on a card and hand it to the group leader.
- 2. Contestants will be allowed two minutes to give reasons for their placing of each ring of animals. No contestant shall hold any paper, card or device that will assist him while he is giving his reasons before the judges, except that he will be handed the card turned in, which he will be allowed to retain while giving his reasons.

Class	***************************************	***************************************	***************************************	
Placing: 1st	r inches by two and	; 3rd	; 4th.	

(7) CLASSES OF LIVE STOCK AND METHODS OF NUMBERING

- 1. Four animals shall constitute a class and the selection of live stock will be made by competent committees.
- 2. The horses, cattle and sheep shall be identified by either placing a card on the animal or on the arm of the attendant holding same. These cards shall be numbered 1, 2, 3, 4.

The pigs shall be numbered by sticking large gummed labels bearing number on the rump, or with chalk.

- 3. All newspaper men, officials and others, except the Superintendent, his assistants, the judges, policemen and holders of stock, shall be excluded from the ring while the contest is in progress.
- 4. The program to be followed will be given to the contestants by the Superintendent in charge on the morning of November 24, 1950.
- 5. Full instructions will be given the contestants in the arena on the morning of the above date.

The following program shall be followed, beginning Friday, November 24, 1950.

8:00 A. M.—Superintendent gives instructions to contestants.

9:00 A. M.—First ring: Horses, cattle, sheep and swine.

10:00 A. M.—Second ring: Horses, cattle, sheep and swine.

12:00 Noon-Luncheon.

After luncheon the contestants will give reasons before the judging committees.

CHICAGO ASSOCIATION OF COMMERCE AND INDUSTRY SCHOLARSHIPS

The Chicago Association of Commerce and Industry offers \$500 for three scholarships. The following conditions govern:

1. The contestant making the highest rating in the judging of all classes of live stock in this contest is to receive \$250; the 2nd, \$150; and the 3rd, \$100. This money to be available only for a scientific training in agriculture or animal husbandry; and then only in ten monthly installments upon certification from the dean of a recognized agricultural college after the contestant matriculates.

It is understood that should the contestant for any reason discontinue his course before the entire sum is paid him, he relinquishes any claims upon the unpaid balance.

- 2. Each winning contestant must, not later than the first day of March following the award, notify The Chicago Association of Commerce and Industry and the International Live Stock Exposition of his intention to accept the scholarship awarded, and indicate the year in which he expects to use it. Failure on the part of any winning contestant to give such notification will cancel his right to the award. If any one of the three highest ranking contestants forfeits, or fails to qualify for, the scholarship awarded for that place, the one ranking next in the contest shall be entitled to the scholarship.
- 3. Each winner of these scholarships is requested to set forth in a letter to the "International" Management at the close of the term how this generous donation to agricultural education made by the Chicago Association of Commerce and Industry helped or benefitted him.

ARMOUR & COMPANY SCHOLARSHIPS

Armour & Company offer three scholarships, of \$300 each, to be awarded to the three individuals in the Junior Judging Contest who are high respectively in judging cattle, sheep and swine.

These scholarships are available for the study of agriculture or animal husbandry in any recognized agricultural college. In order to secure payment, a certificate of registration, signed either by the dean of agriculture or registrar of the institution, must be sent. A scholarship shall be used within a year of the date of the award except in cases where the winner has not completed the necessary non-collegiate work. In such case it may be used the year following his graduation from high school.

REGIONAL MAP

Because of climatic and soil differences which are reflected in the grain and forage crops, the United States and Canada have been divided by the agronomists of the agricultural colleges into regions of approximately similar crops to conserve the interests of exhibitors.

Lac Qui Parle County, Minnesota, is in region 1.

RULES AND REGULATIONS

- 1. Regions. In order to equalize competition the United States and Canada have been divided into eight regions as shown on the accompanying map. In classes where regions are specified, samples must be entered in the region where they were grown and no exhibitor will be permitted to enter samples in more than one region. Entries from foreign countries will compete in the region having the most comparable conditions.
- 2. Number of Entries. An exhibitor may not enter a total of more than five samples in the show and not to exceed one sample in any class except in the hybrid shelled corn classes.
- 3. Eligibility. Samples must have been grown and selected by the exhibitor in the year 1950. Only one sample from the same farm, firm or family will be eligible for entry or competition in any given open class except in the junior corn contest. It is the purpose to make the competition equal to all exhibitors by limiting the entries in any given open class to only one from a complete farming unit rather than to allow several entries in the same class from what to all intents and purposes is the same exhibitor, whether owners, partners, owner and renter or sharecropper in the operation of the farm. Where a firm or family owns several farms, its members are not entitled to additional entries in the same class unless the farming operations are distinctly separate businesses carried on by the exhibitors. Where there is a doubt as to eligibility, write to the superintendent of entries for an official ruling under the circumstances of your specific case. Where doubt exists in regard to samples being entered according to rules and regulations, exhibitors may be required to verify entries

by oath or affidavit. Where two samples from the same farm, firm or family are found to have competed in the same class when only one was eligible, both will be disqualified. This rule also applies to the hybrid shelled corn classes, except that five entries instead of one are allowed in any certain class.

- 4. Entry Fee. No entry fee will be charged in any class.
- 5. Making Entry. All applications for entry must be made in writing and must be in the hands of the superintendent of entries not later than November 10, 1950. Entry blanks will be furnished upon request.
- 6. Shipping Samples. Samples, when shipped, must have all transportation charges prepaid and must reach the Exposition grounds not later than Monday, November 20, excepting certified hybrid shelled corn, which must arrive not later than Friday, November 17, for the germination test. Other samples may be delivered in person up to 6 P. M. Thursday, November 23, which is the absolute deadline. All entries must have been made in accordance with rule 5. Shipments by freight will only be accepted when delivered to the Exposition grounds.
- 7. Handling. Samples will be accepted only at the official receiving office where they may be placed in containers by exhibitors ready for exhibition. After samples have been accepted, only their official state or provincial representatives, the show management and judges will be permitted access to them. Changing or modifying samples after they have been accepted will not be permitted. The exhibition space will be closed to all but the proper officials until the show is open on Saturday morning, November 25.
- 8. Return of Samples. Samples will be returned by collect express if requested at time of making entry but the management will not be responsible should loss occur.
- 9. Size of Samples. All samples of ear corn must consist of ten ears each; grain sorghums, 10 heads each; shelled corn, threshed grain sorghums, wheat, oats, flax, barley, rye, soybeans, cow peas, field peas and field beans, one peck each; red clover, white clover, alsike clover, sweet clover, alfalfa, timothy, lespedeza, crested wheatgrass, sudan grass and bromegrass and fescue grass seed, four quarts each; and hay, one bale weighing not less than 50 pounds. "Peck" and "quart" mean measured quantities of the Winchester bushel.
- 10. Undesirable Samples. Any samples which are scoured, bleached, oiled, etc. so as to be objectionable for seed purposes will be disqualified at the discretion of the judges. The management reserves the right to determine the germination of all samples competing in any class other than for hay and to disqualify those found to be not suitable for seed.
- 11. Awards. The judges will award premiums in accordance with the merit of the entries. Samples of decidedly inferior merit will not be awarded premiums.
- 12. Judging. Judging will begin Friday, November 24, and will be completed as quickly as possible so as to give visitors the greatest opportunity to inspect the show and study the awards.
- 13. Release of Samples. Exhibits will be held at the show room until 11 P.M., Saturday, December 2.
- 14. Liability. The management will take all due precautions in the handling and protection of samples but will not be responsible for any errors, omissions, damage or losses which may occur.

- 15. Premium Equalized. A sample winning a championship will be paid a first premium equal to that paid any sample which it defeats, regardless of the first premium offered in its class.
- 16. Retired Champions. Any exhibitor winning the highest award in a crop three times will not exhibit in the classes for that crop during the following three years. This includes other exhibitors from the same farm or family as defined in rule 3.

The management reserves the right to interpret these rules and regulations, to make such other rules as are found necessary and to adopt whatever methods it deems advisable to protect exhibitors against unfair competition.

VARIETY NAMES

Exhibitors are urged to give the variety name where possible for the guidance of the judges and the benefit of visitors.

RIBBON WITH EACH PREMIUM

Special purple ribbons will be awarded to the winning samples in all cham-

pionship classes.

In addition to the trophies and special championship ribbons offered in this premium list, a handsome ribbon will be awarded with each cash premium which may be kept as a permanent record by the successful exhibitor. Championship ribbons will be purple, firsts blue, seconds red, thirds white, fourths pink, fifths yellow, sixths green and all others lavender.

CASH PREMIUMS

The judges will make awards to approximately one half of the samples entered in each class and premiums will be paid in accordance with the following table, except in the hay contests. This will distribute the total money available for premiums evenly throughout the show in proportion to the competition in each class. The table has been so arranged that a large number of exhibitors will receive premiums of closely related value rather than a few taking the lion's share.

INTERNATIONAL COLLEGIATE CROP JUDGING CONTEST

This collegiate crops contest has been a feature of the International Live Stock Exposition since 1923. It is open to teams of three students representing agricultural colleges and similar institutions of the United States and Canada. It is based on three phases of crop knowledge and skill—Market Grading, Seed Judging and Crop Identification.

The awards include a trophy for high team, trophies and ribbons for members of the high team, trophy and ribbon for high individual, ribbons for members of the second and third teams, second and third individuals, and high individual in each—grading, judging, and identification. In addition, bronze medals are presented to each contestant.

The contest will be held November 25 under the supervision of E. D. Holden, University of Wisconsin, Madison, Hugh Delaney and H. H. Whiteside, U. S. D. A., Chicago, and a committee of the coaches of the teams.

INDEX TO ADVERTISERS

The management wishes to express its appreciation to all Advertisers for their cooperation with the INTERNATIONAL LIVE STOCK EXPOSITION on the occasion of its 51st ANNIVERSARY, and for their help in making it CHICAGO'S MOST IMPORTANT ANNUAL EVENT and the World's biggest and best EXCLUSIVE LIVE STOCK EXHIBITION.
